

## Carolyn Grossé Gawarecki

**“It’s the Berries”** by Carolyn Gawarecki

Our September members meeting will consist of a critique by Carolyn Grosse Gawarecki, nationally recognized Virginia watercolorist. Carolyn states that “The spontaneous nature of watercolor allows unlimited diversity and immediate gratification. I am able to achieve the richness of color, clarity, and glowing glazed effects that are characteristic of my paintings. Shadow patterns in the landscape and still lifes are the inspiration for many of my works.”

Carolyn has paintings in museums, galleries, and corporate and private collections. She is an accomplished and popular instructor who has led workshops all over the world. Carolyn has won more than 200 national exhibition awards and has been featured in well-known art publications. Her honors and exhibits are too numerous to list.

She received a B.A. in Fine Arts and Education from Douglass College at Rutgers University. She has pursued graduate work at University of California at Berkeley and the University of Colorado at Boulder.

LAG is pleased to welcome Carolyn Gawarecki to our Sept. 13 meeting and we look forward to the artistic wisdom and insight that she will impart. Members are asked to bring 2 works of art for the critique. (See <http://grosseart.com/> for more information and pictures.)
