

Montpelier Festival of Herbs, Tea, and the Arts 2011

Although sales weren't terribly brisk, LAG members did make sales. Cards, jewelry, and several paintings sold.

The model was a big success - several people besides LAG members drew her.

One lady did a really good sketch of the model and didn't want it, so we gave it to Sophia and she was thrilled

Laurel Cable TV came by and interviewed LAG members for TV. Unfortunately, no one thought to ask when it would be on or what channel.

The weather was PERFECT - except for some wind. It was very cold in the morning hours, but by noon, it was beautiful! Thanks again to all LAG members who volunteered and took part in this annual Festival!
